Registering on the School Screener Parent Portal

School Health Services are currently using an electronic way of communicating with parents and carers through a secure web-based portal.

Parents and carers of children in Reception **(born between 01/09/2021-31/08/2022)**
Parents and carers of Children in Year 6 **(born between 01/09/2015-31/08/2016)**
are being asked to register on the portal to share and receive information. To register or opt-out for the 2026-27 NCMP (National Child Measurement Programme) please do so by using the following link:

Parent Link

https://wnr009.schoolscreener.com/Portal/#/36378/g/WnR449

It's a quick and safe process and all you need is an active email address.
Once registered you can login and add your Reception or Year 6 child/ren's details.

Step 1 **Read the information letter below on this year's National Child Measurement Programme**
Step 2 Visit the site – Using the Webpage link given above (copy and paste the link into your browser)
Step 3 Register for an account using the Register here button on the top right-hand side of the page.
– if you already have an account, please use it to log in.
Step 4a If you DO NOT want your child measured select opt-out and submit the form.
Step 4b If you would like your child measured complete and submit the form for you to receive your electronic result letter.

Step 5
Three to Four weeks after we have visited your Childs school and taken measurements you should log into your School Screener account using the email address and password that you used to create your account and view your child's result letter. The parent Portal is GDPR compliant, which means that, child and parents' personal data is safer.
